

## KIEWIT AUSTRALIA - Cloudbreak Minor Works

LOCATION	DURATION	VALUE	MAN HOURS
Cloudbreak, WA	Mar 2013 - Jun 2013	\$1.9 million	18,000

### Project Overview

Building upon its strong relationship with Kiewit Australia, ECM was awarded the first minor works contract for Cloudbreak in March 2009.

The works were undertaken in an operating mine environment, including electrical, instrumentation and structural works.

Areas covered included mine power station and ore processing.

### Scope of Work

Installation, termination and commissioning of all electrical and instrumentation works including, but not limited to:

- Lighting and small power
- Valve control
- Winches
- Installation of ladder barrier
